Student's Book A contains units 1-8, the first half of the complete Student's Book. Beautiful color photographs and illustrations facilitate the teaching of new vocabulary. As with the other levels of New Interchange, a complete set of ancillaries, including a video program, is available to make classes interesting and productive. Level One builds on the foundations for accurate and fluent communication established in the Intro Level, extending grammatical, lexical, and functional skills. New Interchange teaches students to use English for everyday situations and purposes related to school, work, social life, and leisure. The underlying philosophy is that language learning is more rewarding, meaningful, and effective when used for authentic communication.
