iMovie '09 and iDVD for Mac OS X Jeff Carlson 2009-05-21 Visual QuickStart Guide—the quick and easy way to learn! This full-color, amply illustrated, accessible book teaches readers the essential skills necessary for creating compelling movies with iMovie '09 and iDVD, Apple's consumer-friendly digital movie and DVD-burning software applications. Readers can follow the step-by-step instructions from the beginning to get a tour of the applications or look up specific tasks to learn just what they need to know. Longtime Macintosh and technology writer Jeff Carlson takes extra steps to ensure that readers understand all of the key aspects of digital movie making. Easy visual approach uses pictures to guide you through iMovie '09 and iDVD (and how they interact with the other iLife '09 applications) and show you what to do. Concise steps and explanations let you get up and running in no time. Page for page, the best content and value around.

Case-Based Reasoning Research and Development Belén Díaz Agudo 2013-11-13 This book constitutes the thoroughly refereed post-conference proceedings of the 20th International Conference on Case-Based Reasoning Research and Development (ICCBR 2012) held in Lyon, France, September 3-6, 2012. The 34 revised full papers presented were carefully selected from 51 submissions. The presentations and posters covered a wide range of CBR topics of interest to both practitioners and researchers, including foundational issues covering case representation, similarity, retrieval, and adaptation; conversational CBR recommender systems; multi-agent collaborative systems; data mining; time series analysis; Web applications; knowledge management; legal reasoning; healthcare systems and planning and scheduling systems.

Nikon D90 For Dummies Julie Adair King
2009-02-18 The Nikon D90 offers professional-quality features for shutterbugs of all types—take full advantage of each feature with this full-color, user-friendly guide Your Nikon D90 digital camera offers professional-quality features—like 11-point autofocus, Live View, and the ability to shoot HD video—that you may find overwhelming if you're not familiar with digital cameras or even photography in general. No need to panic—you're in the right place. Nikon D90 For Dummies is a fun and easy-to-use guide that helps you understand and use all the camera's dials and modes, manage photo size and quality, take creative control with manual settings, and share your images in print or online. Not only will you learn what all your camera's features do, but you'll also discover when, where, why, and how best to use each one. With this full-color book written in plain English, getting great shots is a snap. Whether you're an experienced photography enthusiast or a virtual beginner, this book shows you the ins and outs of the Nikon D90. You'll learn to: Format memory cards, use Live View, create

custom settings, and change lenses Use thumbnail and calendar displays and picture data, and get tips for inspecting your photos Control aperture, shutter speed, and ISO Work with active D-lighting and use various flash modes Take control of lighting, exposure, and color Set up, shoot, and review photos using the viewscreen Record HD video, including sound, and know what your D90 can and can't do Use software that comes with the camera to download, organize, and archive your images Print photos or share them via e-mails or slide shows Decide when you should use JPEG and when to use NEF Adjust resolution for optimum print quality or file size This comprehensive guide gives you the scoop on secrets for getting the best point-and-shoot pictures and why you might not want to use the top image quality setting. You'll get tips for retouching images (like removing red-eye and adding a starburst effect) plus ideas for exploring special-purpose features (like adding comments to images with location and other information). Get your copy of Nikon D90 For Dummies, grab your Nikon D90, and start shooting!
