DATA 89% found the instant feedback and scoring on homework and quizzes to be beneficial 69% said it helped them get a better grade 80% said it improved their understanding of the material 76% said it made them better prepared for tests
STUDENT QUOTES "WileyPLUS is an amazing tool, I just wish it was available for all my classes!" Filiz Muharrem, Ohio State University "I loved the immediate response to homework problems and exams. I was able to find out what errors I had made, and go back to the chapters to research why I made the error. It made my learning much easier!" Theresa Klicker, University of Maryland,

University College "Everything I needed was just a click away...that's how fast and simple it was. If I needed immediate help and I didn't understand a concept, it told me where to look." Caroline Cho, University of Texas-Austin "I felt WileyPLUS was a useful tool in understanding the chapters/problems. The "link-to-text" tool was very resourceful when solving the homework problems." Michael Geisheimer, Kean University "I was quite impressed with WileyPLUS. It was nice to be able to see what I did wrong and have more than one chance to answer a problem." Melinda Beach, Washburn University

Business Statistics Ken Black 2019-12-24 Business Statistics continues the tradition of presenting and explaining the wonders of business statistics through a clear, complete, student-friendly pedagogy. In this 10th edition, author Ken Black uses current real-world data to equip students with the business analytics techniques and quantitative decision-

making skills required to make smart decisions in today's workplace.

Visualizing Environmental

Science Linda R. Berg

2010-09-22 The new third edition provides environmental scientists with an approach that focuses on visuals rather than excessive content. The streamlined coverage discusses the basic science so students walk away with a strong understanding of the facts. New Think Critically and Data Interpretation features encourage them to analyse visuals and graphs to place information in context. The illustrations have been improved and additional opportunities to conduct real data analysis have been added. The What a Scientist Sees feature also gives environment scientists a real-world perspective of how a concept or phenomenon is applied in the field.

Applied Marketing Daniel Padgett 2019-04-24 Applied Marketing is a concise product that provides the very latest examples of marketing techniques and campaigns from today,s business world without compromising on traditional theories of marketing. Marketing is about decision making and professors want material that will help students develop their critical thinking skills so they can think like a marketer and see that marketing is everywhere around them. Who better to develop such a product than a practitioner, Andrew Loos of Attack Marketing, and an academic, Daniel Padgett of Auburn University. Together these authors provide insights into what employers need, know the latest tools used by companies today and can help students smoothly move from the classroom to their careers. Applied Marketing connects traditional marketing with customer-perspective

marketing, thus teaching students the value of allowing customers to feel more connected to the product, brand and company.
