**5 Steps to a 5: AP English Language 2018 Elite Student Edition** Barbara L. Murphy 2017-08-04 Get ready to ace your AP English Language Exam with this easy-to-follow, multi-platform study guide 5 Steps to a 5: AP English Language 2018 Elite Student Edition introduces an effective 5-step study plan to help you build the skills, knowledge, and test-taking confidence you need to achieve a high score on the exam. This popular test prep guide matches the latest course syllabus and latest exam. You'll get online help, six full-length practice tests (three in the book and three online), detailed answers to each question, study tips, and important information on how the exam is scored. Because this guide is accessible in print and digital formats, you can study online, via your mobile device, straight from the book, or any combination of the three. With the new "5 Minutes to a 5" section, you'll also get an extra AP curriculum activity for each school day to help reinforce the most important AP concepts. With only 5 minutes a day, you can dramatically

increase your score on exam day! 5 Steps to a 5: AP English Language 2018 Elite Student Edition features: • New: "5 Minutes to a 5"—Concise activities reinforcing the most important AP concepts and presented in a day-to-day study format • Access to the entire Cross Platform Prep Course in English Language • 6 Practice Exams (3 in the book + 3 online) • Powerful analytics you can use to assess your test readiness • Flashcards, games, social media support, and more Kaplan AP English Language and Composition, 2007 Edition Denise Pivarnik-Nova 2006-12-26 Kaplan AP English Language and Composition includes: \*2 full-length practice tests \*detailed answer explanations \*proven score-raising strategies \*targeted content review \*key terminology defined in context \*sample essays for Free-Response questions

**5 Steps to a 5 : AP English Language** Barbara Murphy 2001-12-10 ENGLISH LANGUAGE ENGLISH LITERATURE Grace Freedson, Series Editor An exciting new series of study guides that lets each student design a course of study pitched to his or her individual needs and learning style Each year, more than one million U.S. high school students take one or more advanced placement (AP) exams, and, according to official projections, that number will continue to rise in the years ahead. That is because AP exams confer important benefits on those who do well on them. High AP scores are indispensable to gaining admission to most elite colleges. They provide students with a competitive edge when competing for grants and scholarships. And they allow students to bypass required university survey courses, saving on skyrocketing tuition fees. Designed to coincide perfectly with the most current AP exams, Five Steps to a 5 on the Advanced Placement Examinations guides contain several advanced features that set them above all competitors. Each guide is structured around an ingenious Five-Step Plan. The first step is to develop a study plan, the second builds knowledge, the third and

fourth hone test-taking skills and strategies, and the fifth fosters the confidence students need to ace the tests. This flexible study tool is also tailored to three types of students. For the more structured student there is a "Month-by-Month" approach that follows the school year and a "Calendar Countdown" approach that begins with the new year. For students who leave studying to the last minute "Basic Training" covers the basics in just four weeks. Other outstanding features include: Sample tests that closely simulate real exams Review material based on the contents of the most recent tests Icons highlighting important facts, vocabulary, and frequently-asked questions Boxed quotes offering advice from students who have aced the exams and from AP teachers and college professors Websites and links to valuable online test resources, along with author e-mail addresses for students with follow-up questions Authors who are either AP course instructors or exam developers

*Recontextualized* Lindy L. Johnson 2016-07-25 Recontextualized: A Framework for Teaching English with Music is a book that can benefit any English teacher looking for creative approaches to teaching reading, writing, and critical thinking. Providing theoretically-sound, classroom-tested practices, this edited collection not only offers accessible methods for including music into your lesson plans, but also provides a framework for thinking about all classroom practice involving popular culture. The framework described in *Recontextualized* can be easily adapted to a variety of educational standards and consists of four separate approaches, each with a different emphasis or application. Written by experienced teachers from a variety of settings across the United States, this book illustrates the myriad ways popular music can be used, analyzed, and created by students in the English classroom. "Together, this editor/author team has produced a book that virtually vibrates with possibilities for engaging youth in ways that speak to their interests while simultaneously maintaining the rigor expected of English classes." - Donna E. Alvermann, University of Georgia
