Cruising Guide to the Leeward Islands Chris
Doyle 1998 Fair winds and fine cruising is
author Chris Doyle's wish for readers of this
popular, newly updated guide to the 10 island
nations of this enchanting Caribbean
chain. Doyle's background in research makes this
volume rich in practical details; yet its tone is
conversational. His is also an intimate
knowledge, gathered from more than 20 years of

live-aboard Caribbean cruising on his Carib 41
Helos, a former charterboat. The Leewards are a
cultural and topographic mix, and Doyle
addresses them by geographical grouping. The
Renaissance Islands (St. Martin, St. Barts and
Anguilla), an economically strong bareboating
enclave, offer short cruising passages and a
wide choice of anchorages. The Islands That
Brush the Clouds - a volcanic chain strung
between Saba and Montserrat - present cruisers
with a variety of channels and terrain. Most
broadly strewn are the Islands of Mountains and
Mangroves, a patchwork chiefly of rugged
rainforest and exotic fauna, guarded in spots by
spectacular reefs. The southern Leewards in
particular have cried for reliable charting. Doyle
provides aid throughout, using GPS coordinates,
a trove of charts and color maps. All are cross-

referenced with the newly released Caribbean Yachting Charts, exactly detailed and available through Cruising Guide Publications. Spectacular photographs add a visual feast. Onshore accommodations, transportation, communications, entertainment and provisioning are also addressed throughout the guide, and in an exhaustive directory by island and service type.
