DEPARTMENT OF THE ARMY Over 270 total
pages ... SUBJECT: Jumpmaster Course Student
Conduct, Graduation Requirements and Grading
Criteria The purpose of this memorandum is to
outline the requirements for a student to
successfully complete the United States Army
Jumpmaster course within the administrative
point system and all graded exams. 1. Students
attending the Jumpmaster Course must conduct
themselves in an appropriate and disciplined

manner, on-duty and off-duty. Students who
violate provisions of the Uniform Code of
Military Justice (UCMJ) will be quickly
disciplined, and may be permanently dropped
from training with subsequent assignment as a
non-graduate. You will receive a briefing from
your NCOIC on your conduct while assigned to
the Jumpmaster Course. Any violation of the
items in the briefing may result in being dropped
from the course. 2. Students must meet the
following requirements on all exams in order to
graduate from the US Army Jumpmaster Course:
a. Nomenclature Exam. Student will be
presented with 25 items of equipment chosen on
a random basis. Student must score a minimum
of 70% to receive a "GO". b. Actions During
Decent Exam (pre-jump). Student will be given
30 minutes in which to recite Actions During

Decent in its entirety. Student must score a minimum of 70% to receive a “GO”. c. Written Exam. Student will be given one hour to answer 100 questions, to include True/False, Multiple Choice, and Fill-in the Blank. Student must score a minimum of 70% to receive a “GO”. In addition to the tested material, students may lose 16 points on the exam for not following the instructions given during the test brief. d. JMPI Exam. Student will have five minutes in which to JMPI three jumpers, one wearing combat equipment, two hollywood jumpers. Using proper sequence, and proper nomenclature while identifying all deficiencies. Student must score a minimum of 70% to receive a “GO”. e. Practical Work inside the Aircraft (PWAC) Exam. Students will be graded on hand and arm signals, and door check procedures, in an Air Force fixed wing aircraft while in flight. Student must score a minimum of 70% to receive a “GO”. In addition to the tested material, students may lose points on the exam for improper rigging of

equipment, or failure to follow instructions. 3. Students will be given one retest for each exam (Nomenclature, Actions During Decent, Written, or PWAC) where they fail to meet the 70% standard. Students must score a minimum of 70% on any retest in order to receive a “GO.” Passing scores on a retest will count towards the student’s grade point average as 70%, regardless of the number of correct or incorrect answers on the exam. Students that fail to achieve the 70% standard on a retest will be dropped from the course. 4. Students who maintain an 80% or higher grade on the Nomenclature, Actions During Decent, PWAC and Written exams will be considered “Re-Entry Qualified.” Re-Entry Qualified students will receive two additional attempts to pass the JMPI test. Students that fail to maintain re-entry status will still receive three attempts on the JMPI test. 5. The use of administrative points will assist the cadre in enforcing standards throughout the course. Students will begin the

course with 100 administrative points and my loose re-entry status if accrued administrative points drop below 80%.
