New Horizons in Fashion and Marketing

Kate Armstrong 2026-01-01 This edited collection introduces readers to current contemporary issues within the field of fashion marketing and consumption, exploring the main challenges and opportunities within the sector. The fashion industry is typically characterised by continuous change, with issues ranging from the need for ethical and conscious decision-making around fashion supply chains and design, to how brands can adapt to the digital revolution.

Featuring the best research presented at the Fashion Marketing Consumption and Discourse Colloquium, this book features contributors from around the globe and is split into four sections covering retail, digital, luxury, and sustainability. With topics such as the democratization of fashion, omni-channel retailing, eco fashion, and product design, the collection offers insights and recommendations on this fast-moving industry.

Basics Interior Design 2010 Basics Interior Design: Retail Design approaches the subject of interior design in a retail context. The design of shops is constantly changing, following fashion trends and consumer aspirations. Retail spaces are at the forefront of contemporary interior

design because they are updated regularly to stay competitive and appealing. Packed with examples from students and professionals, and fully illustrated with clear diagrams and inspiring imagery, this book offers an essential introduction to the subject of designing for a retail space. It examines brand and identity as a starting point for the design concept, and the relationship between the interior and its context, site and setting. It introduces ways of manipulating space and volume, exploring the spatial elements of ceilings, floors and walls, and investigating the notions of layout, circulation and pace. The book also pays close attention to the effects of the building industry on the environment. Basics Interior Design: Retail Design is a complete guide to creating retail spaces that entice, excite and enthrall the consumer by creating an experience with which they can relate.
