The Story Bible Study Guide Randy Frazee 2016-08-09 The Story group Bible study provides

groups of all sizes the opportunity to discuss and apply what they experience during the 31-week The Story church campaign. To understand the Bible, says Frazee, you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great, overarching purpose that puts the individual stories together like panels in one unified mural. In 31 sessions, The Story video-based group study opens your eyes to God's master plan unfolding in the lives of the Bible's characters and in your own life. Discover the heart of God's Upper Story, and the joy that comes as you align your story with God's. The Story Study Guide and DVD (sold separately) are designed for use by groups of all sizes, including small groups and Sunday school and adult education classes. Designed for use with The Story Adult Curriculum Study DVD (9780310329527) sold separately.
