**Come Rack! Come Rope!** Robert Hugh Benson  
2017-03-30 *Come Rack! Come Rope!* is a historical novel by the English priest and writer Robert Hugh Benson. Set in Derbyshire at the time of the Elizabethan persecution of Catholics, the inspiration for the story comes from Dom Bede Camm's account of the recusant Fitzherbert family in *Forgotten Shrines*. The title of the book is taken from a letter of Saint Edmund Campion in which, after torture, he assured Catholics that he had revealed "no things of secret, nor would he, come rack, come rope." Most of the characters in the book are historical people; only the hero and heroine, their parents, and some minor characters are

fictional. "*Come Rack! Come Rope!*" is an inspiring portrayal of Catholic life in Elizabethan England.

*Come Rack! Come Rope!*.by Robert Hugh Benson  
2016-05-23 Robert Hugh Benson (18 November 1871 - 19 October 1914) was an English Anglican priest who in 1903 was received into the Roman Catholic Church in which he was ordained priest in 1904. He was lauded in his own day as one of the leading

figures in English literature, having written the notable novel *Lord of the World* (1907). Benson was the youngest son of Edward White Benson (Archbishop of Canterbury) and his wife, Mary, and the younger brother of Edward Frederic Benson and A. C. Benson. Benson was educated at Eton College and then studied classics and theology at Trinity College, Cambridge, from 1890 to 1893. In 1895, Benson was ordained a priest in the Church of England by his father, who was the then Archbishop of Canterbury. After his father died suddenly in 1896, Benson was sent on a trip to the Middle East to recover his own health. While there he began to question the status of the Church of England and to consider the claims of the Roman Catholic Church. His own piety began to tend toward the High Church tradition, and he started exploring religious life in various Anglican communities, eventually obtaining permission to join the Community of the Resurrection. Benson made his profession as a member of the community in

1901, at which time he had no thoughts of leaving the Church of England. As he continued his studies and began writing, however, he became more and more uneasy with his own doctrinal position and, on 11 September 1903, he was received into the Catholic Church. He was awarded the Dignitary of Honour of the Order of the Holy Sepulchre. Benson was ordained as a Roman Catholic priest in 1904 and sent to Cambridge. He continued his writing career along with his ministry as a priest. Like both his brothers, Edward Frederic Benson ("Fred") and Arthur Christopher Benson, Robert wrote many ghost and horror stories, collected in *The Light Invisible* (1903) and *A Mirror of Shallott* (1907). His novel, *Lord of the World* (1907), is generally regarded as one of the first modern dystopias (see List of dystopian literature). As a young man, Benson recalled, he had rejected the idea of marriage as "quite inconceivable." Benson was appointed a supernumerary private chamberlain to the Pope

in 1911 and, consequently, styled as Monsignor *Come Rack! Come Rope!* Robert Hugh Benson 1912

This book stands out not only for its scholarly rigor but also for its engaging style, making it accessible to both academic and general audiences interested in ecclesiastical history. William Hunt, a notable historian of the late 19th century, was

His output encompassed historical, horror and science fiction, contemporary fiction, children's stories, plays, apologetics, devotional works and articles. He continued his writing career at the same time as he progressed through the hierarchy to become a Chamberlain to Pope Pius X in 1911 and gain the title of Monsignor, before his death a few years later.

**Come Rack! Come Rope!** Msgr Robert Hugh Benson 2017-11-21 *Come Rack! Come Rope!* is a dramatic novel set in England during the Elizabethan era; a time in which religion, and the violence which ensued after the Reformation, played a heavy role in everyday life. True to form, Robert Hugh Benson opens the novel in dramatic style. We are introduced to a seventeen year old couple, Robin Audrey and Marjorie Manners, who have become secretly engaged. While both are Catholic, they and their families live in rural Derbyshire at a time when Catholicism has become subject to persecution. We are led to contemplate not merely how the fate of the young couple will transpire, but how the entire community will cope with the animosity born of religious upheavals. Benson's research of the time shines, as certain characters pledge support to the imprisoned Mary, Queen of Scots and contemplate how to survive the violent oppression. The darkness of these days is reflected in the title of the book:

the rack and rope were a method of torture, which was employed against many priests and openly religious people at the time. It was a common prelude to violent execution, such as being hung, drawn and quartered in public. Such events were intended to discourage Catholics from challenging the new order, and such terrifying, grisly barbarity commonly succeeded in its aims. Yet Robin, who becomes the novel's protagonist, is not cowed to submission by such horrific acts - he sets off to France to study in the priesthood instead. The scene in which he announces his intentions to his father is the novel's first major turning point; we realize that even the mutual romantic affection between he and Marjorie is not enough to dissuade him from following his calling - Marjorie humbly encourages him to pursue his course as set out by God. The intensity of spiritual beliefs, and consequences of defiance, are a recurring theme throughout this novel. Even when the author published this book in 1912, the 16th century

persecutions were becoming less mentioned and remembered. Robert Hugh Benson is keen to reflect historical accuracy and minimize his personal outlook - that he, a Catholic priest, constructed a novel that portrays the time in an evenhanded manner, is a noteworthy accomplishment.

Robert Benson 2015-10-13 Yet, as Robin rode to Marjorie none of these things were done. It was a still day of frost; the sky was arched above him, across the high hills, like that terrible crystal which is the vault above which sits God-hard blue from horizon to horizon; the fringe of feathery birches stood like filigree-work above him on his left; on his right ran the Derwent,

sucking softly among his sedges; on this side and that lay the flat bottom through which he went—meadowland broken by rushes; his mare Cecily stepped along, now cracking the thin ice of the little pools with her dainty feet, now going gently over peaty ground, blowing thin clouds from her red nostrils, yet unencouraged by word or caress from her rider; who sat, heavy and all but slouching, staring with his blue eyes under puckered eyelids, as if he went to an appointment which he would not keep.

Robert Hugh Benson 2017-10-27 Excerpt from Come Rack! Come Rope! Very nearly the whole of this book is sober historical fact; and by far the greater number of the personages named in it once lived and acted in the manner in which I have presented them. My hero and my heroine are fictitious; so also are the parents of my heroine, the father of my hero, one lawyer, one woman, two servants, a farmer and his Wife, the Landlord of an inn, and a few other entirely negligible characters. But the family of the fitzherberts passed precisely through the fortunes which I have described; they had their confessors and their one traitor. (as I have said). Mr. Anthony Babington plotted, and fell, in the manner that is related; Mary languished in Chartley under Sir Amyas Paulet; was assisted

by Mr. Bourgoign; was betrayed by her secretary and Mr. Gifford, and died at Fotheringay; Mr. Garlick and Mr. Ludlam and Mr. Simpson received their vocations, passed through their adventures; were captured at. Padley, and died in Derby. Father Campion (from whose speech after torture the title of the book is taken) suffered on the rack and was executed at Tyburn. Mr. Topcliffe tormented the Catholics that fell into his hands; plotted with 'mr. Thomas fitzherbert, and bar gained for Padley (which he subsequently lost again) on the terms here drawn out. My Lord Shrewsbury rode about Derbyshire, directed the search for recusants and presided at their deaths; priests of all kinds came and went in disguise; Mr. Owen went about constructing hiding holes; Mr. Bassett lived defiantly at Langleys, and dabbled a little (i am afraid) in occultism; Mr. F enton was often to be found in Hathersage - all these things took place.
