Author: Barrett Thomas "Tom" Beard entered the Navy as an enlisted

man in 1953 and completed flight training as a Navcad in 1955. With a

commission in the U.S. Naval Reserve, he flew operational

missions—including carrier landings—in A-1 Skyraiders and E-1 Tracers.

He qualified in more than a dozen other types of Navy aircraft, including

F-9 Cougars. He served two tours as flight instructor in his ten years

with the Navy. In 1965, following his return from a Vietnam tour at

Yankee Station, Mr. Beard entered the Coast Guard. He flew in SAR

operations in the HU-16E Albatross, the C-130 Hercules, and the HH-52A

Seaguard. He qualified as a seaplane pilot, a shipboard helicopters pilot,

and a Coast Guard standardization pilot, accumulating more than 6,000

military flight hours during his career. Mr. Beard holds an FAA airline

transport pilot rating and a commercial helicopter rating, plus a Coast

Guard master's license for inspected vessels. After retiring in 1975, Mr.

Beard returned to college, earning a master's degree in history from

Western Washington University in Bellingham. Following employment as

a museum director, he turned back to the sea, in sailboats. Over the past

twenty years, he and his wife, Carolyn, have sailed nearly 150,000 miles

and visited about fifty countries as they've circled the world one and a

half times. Mr. Beard takes vacations from these voyages to return home

to research and write articles in his field of maritime history.
