Robert Stewart Jr. 2012-02 The only study guide to offer

expert, customized study plans for every student's needs

You've had a year to study...but

also a year to forget. As the AP test approaches, other guides

reexamine the entire year of material. But only one guide

identifies your strengths and weaknesses, then points you

directly to the review you need most. My Max Score, a new

concept developed by AP teachers and exam graders,

offers separate review

materials for long-term prep

and last-minute cram sessions- no matter when you start

studying, This is just what you need-plus strategies, sample

essays, and full-length practice tests to bring out your best on

test day.

Study Guide to Accompany Biology by Karen Arms and Pamela S. Camp Russell C. Hollingsworth 1979

Student Study Guide to Accompany Human Biology Sylvia S. Mader 2003-08 This best-selling text emphasizes the relationship between humans and other living things. Intended for an introductory course, this text provides students with a firm grasp of how their bodies function and how the human population can become more fully integrated into the biosphere. An Online Learning Center, tied directly to the text via icons, will direct students to activities or animations that gives a "visual example" of difficult processes as well as "Working Together" boxes to emphasize homeostasis.
