## **The Catcher in the Rye Study Guide: Chapter Questions and Answer Keys**

The English Teacher's Pet  
2019-02-11 "The mark of an immature man is that he wants to die nobly for a cause, while the mark of the mature man is that he wants to live humbly for one."--HoldenJ.D Salinger's The Catcher in the Rye is a testament to the 1950s- a time of change, and a time for reflection of ourselves and the American Dream. It has also withstood the test of literary time with its unforgettable characters: Holden Caulfield, Phoebe, Stradlater, Mr. Antolini- they are all awaiting for you or your student to discover! Included in this 38 page, comprehensive study guide is over 250 chapter questions and a comprehensive answer key for your perusal. Questions cover character development, plot, and, of course, themes, including

Holden's portrayal of the waning American Dream. *The Bus* Daniel Meadows 2001  
In 1973 Daniel Meadows, fresh out of art school, bought a double-decker bus and set off round England in search of ordinary people to photograph. In the course of his journey he offered free portrait sessions in 22 different towns, developing the black and white prints inside the bus, in which he also lived. He photographed 958 people, alone or in groups. A quarter of a century later Meadows came across the bus photographs in his archive and was struck by how fresh they were. With the help of the local press in various towns, he went in search of the original sitters. Many could not be found and some had died, but a number of people turned up to be re-photographed. Meadows interviews the sitters who talk candidly about their lives, their friends, their loves, their families and the future--
