**Clinical Companion Study Guide for Mosby's Dental Hygiene** Susan J. Daniel 2008 This study guide companion to Mosby's Dental Hygiene: Concepts, Cases, and Competencies, 2nd Edition draws the student in using a friendly question and answer format that explains "how's," "what's," "where's," and "why's" of the content. The answers to these questions tie into features from the main text including the Insight Statement, Learning Outcomes, Case Studies, and Case Applications. Review Questions and answers as well as Critical Thinking Activity Worksheets encourage students to practice their knowledge and skills after reading the text chapter and to prepare for exams. Follows a format consistent with the main text and allows students to become familiar with the pattern and focus on learning the content. A conversational question and answer format makes material less intimidating and immediately demonstrates the benefits of working on the exercises. Frequent references to main text content such as Insight Statement, Learning Outcomes, and Case Study, help student retain the information better through repetition. Critical Thinking Activities help students practice application of concepts to everyday life and reach a better understanding of the dental hygienist's role. Topics to Debate feature challenges students to consider the ethics and proper application of dental hygienist skills to real-life situations they are likely to encounter. Patient Education Links encourage students to access the Internet or Evolve site for additional sources or agencies for more information on topics related to the text. Encourages self-assessment with Process Performance forms that allow students to grade themselves on whether or not they have developed the skills necessary to meet the Learning Outcomes in the chapter. Review questions, answers, and rationales at the end of the study guide help students review material and prepare for boards. Sample forms and patient education handouts provide sample dialogues and questions to ask patients when interacting in the dental office and help students contribute to successful dental hygienist practices.

**Study Guide for Today's Medical Assistant - E-Book** Kathy Bonewit-West 2014-07-30 Use this study tool to master the content from your Today's Medical Assistant: Clinical & Administrative Procedures, 2nd Edition textbook! Corresponding to the chapters in the textbook by Kathy Bonewit-West, Sue Hunt, and Edith Applegate, this study guide helps you understand and apply the material with practical exercises, activities, flashcards, checklists, review questions, and more. Chapter assignment tables at the beginning of chapters guide you through textbook and study guide assignments, and make it easy to track your progress. Laboratory assignment tables list the procedures in each chapter, including study guide page number references, and indicate the procedures shown on the DVDs. A pretest and posttest in each chapter measure your understanding with 10 true/false questions. Key term assessments include exercises to help in reviewing and mastering new vocabulary. Evaluation of Learning questions let you assess your understanding, evaluate progress, and prepare for the certification examination. Critical thinking activities let you apply your knowledge to real-life situations. Practice for Competency sections offer extra practice on clinical skills presented in the book. Evaluation of Competency checklists evaluate your performance versus stated objectives and updated CAAHEP performance standards. Updated content includes exercises for topics such as electronic medical records, advanced directives, HIPAA, emergency preparedness, ICD-10 coding, documentation, medical office technology, medical asepsis, vital signs, pediatrics, colonoscopy, IV therapy, and CLIA waived tests. New activities provide practice for the Today's Medical Assistant textbook's newest and most up-to-date content. New Emergency Protective Practices for the Medical Office chapter includes procedures, critical thinking questions, and other activities to help you understand emergency preparedness. New Wheelchair Transfer Procedure and Evaluation of Competency checklist includes a step-by-step guide to this important procedure. New video evaluation worksheets on the Evolve companion website reinforce the procedures demonstrated on the textbook DVDs. New practicum and externship activities on Evolve provide practice with real-world scenarios.
