E-Quals Level 2 Office XP Website Design (Including Cdrom) David Broughton 2005-01-05 The titles in this series are ideal for students or IT users who wish to develop their IT skills further. Simple clear language aids understanding, exercises help students master the skills they need for assessment and real life scenarios put the knowledge into context.

The Lawyer's Guide to Balancing Life and Work George W. Kaufman 1999 Designed to help lawyers achieve personal and professional satisfaction in their careers, this guide offers seasoned wisdom for navigating a stress-free path through a career in law. Through practical and explorative exercises, lawyers learn how to identify habitual patterns, clearly evaluate past and current jobs, and discover self-empowerment, and how to apply this information to making healthy decisions. The exercises take personal facts from all aspects of a lawyer's complex life and arrange the information into simple, useful advice for making productive career choices. The book is peppered with informative and engaging anecdotes, and firsthand burnout experiences-offering remedies and direction for lawyers whose careers and lives are out of balance.
