The Alaska Wild Berry Cookbook The Editors of Alaska Northwest Books The Editors of Alaska Northwest Books 2012-11-15 Whether you are the family berry picker, grocery store shopper or cook, here are the best time-tested recipes for cooking with the more abundant and popular species of wild berries indigenous to Alaska. It's all here, from currants to watermelon berries, from milkshakes to mincemeat. Included are recipes for breads, salads, main courses, desserts, preserves, candies, syrups, trail food, and even some beverages like juices, milkshakes, and punches. Many of the recipes are in the dessert category, but you will be surprised at many other ways there are to use wild berries. Lowbush cranberries are particularly good in certain meat dishes, and are useful as a marinade for meat. Wild berries are fine for jam and jelly making, not to mention drying and freezing. Cultivated species may be substituted for wild berries in these recipes, but one must remember that they are often less tart than their wild relatives and adjustments in sugar added may be necessary.

Mennonite Community Cookbook Mary Emma Showalter 2015-02-02 This "grandmother of all Mennonite cookbooks" brings a touch of Mennonite culture and hospitality to any home that relishes great cooking. Mary Emma Showalter compiled favorite recipes from hundreds of Mennonite women across the United States and Canada noted for their excellent cooking into this book of more than 1,100 recipes. These tantalizing dishes came to this country directly from Dutch, German, Swiss, and Russian kitchens. Old-fashioned cooking and traditional Mennonite values are woven throughout. Original directions like "a dab of cinnamon" or "ten blubs of molasses" have been standardized to help you get the same wonderful individuality and flavor. Showalter introduces each chapter with her own nostalgic recollection of cookery in grandma's day—the pie shelf in the springhouse, outdoor bake ovens, the summer kitchen. First published in 1950, Mennonite Community Cookbook has become a treasured part of many family kitchens. Parents who received the cookbook when they were first married make sure to purchase it for their own sons and daughters when they wed. This 65th anniversary edition adds all new color photography and a brief history while retaining all of the original recipes and traditional Fraktur drawings. Best Recipes of the Maritime Provinces 2012-09-25 Maritime cooking starts with great local produce--lobster, scallops, oysters, blueberries, apples, cranberries, maple syrup, and more. There are treasured traditional dishes--hodge podge, baked beans, gingerbread, blueberry grunt--as well as the simple but delicious lobster boil. Leading chefs like Craig Flinn of Halifax's Chives restaurant, Michael Howell of The Tempest in Wolfville, and many others have come up with wonderful new ways of cooking with fresh, local ingredients. Best Recipes of the Maritime Provinces brings the traditional and the contemporary together in one great collection. During her many years as Canadian Living magazine's food editor, Elizabeth Baird was a great fan of Maritime cooking. She has visited every corner of the region to research and write about great local producers and cooks and their recipes. To prepare this collection, she started with well over 1,000 recipes published in cookbooks over the past three decades. From those, she has selected 400+ recipes by over fifty of the region's leading chefs, including Elaine Elliot and Virginia Lee, whose bestselling Maritime Flavours has sold more than 30,000 copies. Also included are tasty recipes from healthy eating champions Maureen Tilley and Sandra Nowlan. This is the book

that every Maritime cook will want--and that visitors will take home so they can explore the region's rich culinary traditions.
