Unworthy, Chosen, and Forgiven Michael Gilcreast 2022-03-16 I thought long and hard before I even imagined to write any book, but somehow people just kept telling me to write a book out of the blue. I started to write, and nothing came of it for over ten years. I have only made it to page 44 of my manuscript. My biggest question, which led to my real motivation to write, was "How can different people from

different states I visited kept telling me the same thing? Could they all be wrong?" It was in March 2020, everything was shut down, I was in attendance at the AFFI mini-convention in Maryland, and it was closed down by the governor. Therefore, from all points in my life, God made sure that I would write. I was out of excuses and I just encouraged myself to write the movie-like book of my life. I have done many one-on-one, premarital, marriage pastoral feedback sessions, inside and outside the church. I only came to find out in some way, shape, or form that people have problems of sorts that were similar to my own. I think of myself as an unorthodox writer and now pastor/author that loves the truth with the desire to be a help for people. I now see a new parallel that was within me all along because my first

passion was to become a doctor, so I could help people. More than half of my life have either been in the Air Force or working for the Department of Defense at the Pentagon in some type of full-time capacity. I even survived the war act of September 11 (911)! Yet I have a story to tell, starting from a dysfunctional family to chasing women, becoming a womanizer, stories of infidelity, unemployment, lying, stealing, divorce, bad credit, bankruptcy, gambling, and even several attempts to commit suicide! If the truth be told, I never thought that I would live past the age of thirty-five! While I thought that I was unworthy, I found out that God had chosen me to live again and to tell my story and to be the pastor that I am today! I was truly a lost soul! On this same path of my life, I have found redemption and a second chance to experience true and unconditional love in the form of Melody. A love that could have only been birthed by God's grace! Truly, my soul loves Jesus!

Don't Kiss the Messenger Katie Ray 2017-04-10
"Unputdownably romantic!" —Tammara

Webber, New York Times bestselling author of *Easy For* most of her teenage life, CeCe Edmonds has been dealing with the stares and the not-so-polite whispers that follow her around Edgelake High. So she has a large scar on her face—Harry Potter had one on his forehead and people still liked him. CeCe never cared about her looks—until Emmett Brady, transfer student and football darling, becomes her literature critique partner. The only problem? Emmett is blindsided by Bryn DeNeuville, CeCe’s gorgeous and suddenly shy volleyball teammate. Bryn asks CeCe to help her compose messages that’ll charm Emmett. CeCe isn’t sure there’s anything in his head worth charming but agrees anyway—she’s a sucker for a good romance. Unfortunately, the more messages she sends and the more they run into each other, the more she realizes there’s plenty in his head, from food to literature. Too bad Emmett seems to be falling for the wrong girl... Disclaimer: This *Entangled Teen Crush* book involves one fiercely scarred

girl who wants the new guy in town, the new guy who thinks he wants the new girl, and the new girl who really isn’t sure what she wants, and the misunderstanding that brings them all together. This modern *Cyrano de Bergerac* retelling will make you laugh, swoon, and fall in love.

Disciplinary Literacy Connections to Popular Culture in K-12 Settings Haas, Leslie 2020-11-13
Literacy and popular culture are intrinsically linked as forms of communication, entertainment, and education. Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes. Utilizing popular culture to bridge literacy concepts across content areas in K-12 settings offers a level playing field across student groups and grade levels. As concepts around traditional literacy education evolve and become more culturally responsive, the connections between popular culture and disciplinary literacy must be explored.

Disciplinary Literacy Connections to Popular Culture in K-12 Settings is an essential publication that explores a conceptual framework around pedagogical connections to popular culture. While highlighting a broad range of topics including academic creativity, interdisciplinary storytelling, and skill development, this book is ideally designed for educators, curriculum developers, instructional designers, administrative officials, policymakers, researchers, academicians, and students.
