Students in the Driver's Seat Erin Quinn 2025-08-25 This transformational book shows you how to put your students in the driver's seat of their learning. It gives you step-by-step protocols and tools to empower student voice and choice: choosing mode, topics, outcomes, and ideas to make learning matter. Based on extensive classroom experience, the book celebrates joyful learning that also supports soft skills including personal organization, time management, collaboration, communication, and more. It promotes an approach to classroom management, teaching, and assessment to drive learning forward and personalize learning to the needs of individual students. An ideal resource for empowering your students to take charge of their learning!
