**Student Workbook for The Administrative  
Dental Assistant - E-Book** Linda J. Gaylor  
2016-02-05 NEW! Updated content reflects the  
main text's more complete incorporation of the  
move toward the paperless dental office and  
electronic health records (EHRs), specifically in  
areas such as scheduling, filing, bookkeeping,  
electronic record regulations, and insurance  
processing. HIPAA updates are also  
incorporated throughout. NEW! Updated  
questions, activities, and puzzles reflect the  
changes in content and further the focus on  
critical thinking and application. NEW! Semester  
project includes a series of relevant exercises  
that add up to a capstone project in which you  
will create office procedures and management  
for your own fictitious dental practice. NEW!  
Original practice exercises developed by the text  
author work in conjunction with the Dentrix  
Learning Edition software to help you  
experience what it's like to work with dental  
practice management software. NEW! Appendix  
forms supplement the cases and exercises  
provided in various workbook chapters.
